“ Today is Derby Day and I thought of my personal Derby expert - only to find this. Ann was a dear and cherished Bradford friend whose joy and laughter will always remain with me (and the only college freshman with a mink). Sending prayers and love, Robb & family. Kathy Koch Callender

“ Ann. I can't remember the last time we talked, it had been a few years. But you were always so gracious and attentive to me and my wife when we would visit. I know you loved your husband, children, and grandchildren fiercely and totally. They will carry that love with them now. Rest easy, "good and faithful servant".

“ Ann and I had many a good laugh together. She was full of life and enjoyed a good time. Many a time she opened her home to all of us to celebrate a Christening, birthday or a special holiday, She loved entertaining and loved seeing Her family and friends happy. She will be sorely missed
