“ ! remember Aunt Cora Lee as a kind and generous woman. When I was a small boy, she would provide me with birthday and Christmas gifts. She seemed amused at things I said and did. While I and others in this world mourn her passing, she will reap the reward of her labors down here by fellowshipping with the Almighty that she served.

“ Lora,

You and your family are in our thoughts and prayers. So many great memories of life on Bonner Ave. I'm sure Cora thought we were the wildest bunch of crazy kids she had ever known. She was a great friend of Mom's and the entire family for so many years. We will miss her.

“ Cora Lee was the church secretary for over 20 years at her church Beechwood Baptist. She served the Lord and her church faithfully. I had the privilege of working with her for many years. She was sunshine on a rainy day and brought laughter to many people. She made my job easier as pastor. We know that she is now with her Lord and Savior Jesus Christ. Blessings and peace to the family.

“ Nina - so many things to say about her. She had the sharpest tongue but a big heart. Some of my favorite things that she would say were:  
"I love you like a puppy loves sweet milk" - whatever that is.  
"Oh, I'm as weak as a kitten" - dunno how many kittens you know, but most are very feisty.  
"I know, it is easy preachin' but hard livin'" - she wasn't kidding.  
She taught me how to plant flowers, how to ice cookies, tried to teach me how to crochet. She would always keep me on the phone F-O-R-E-V-E-R talking about all kinds of things - never ceased to amaze me. At times she was one of my biggest cheerleaders.  
She loved my boys and could never get enough of them. They adored her too!  
She was infatuated with my husband!!!!!!! Secret - I think that he was too.  
Placing all of our family, no matter how "extended", in a huge hug.  
Love you all!!!
