

Helen Cameron Parker-Pollefeyt

May 9, 1951 - June 26, 2020

Helen Cameron Parker-Pollefeyt died on July 26, 2020 in Louisville, Ky. She was born on May 9, 1951 in Frankfurt Germany, the daughter of Dr. Charles Council Parker and Betty Goodwyn Parker. The family moved to Wilson, NC where her father practiced surgery until his unexpected death in 1965. Her mother later remarried William H. Scott of Louisville, Ky and they relocated there.

Cameron went on to graduate from the University of Ky and enjoyed a career as a manager for Iron Mountain Records. On December 26, 1991 she married Douglas Pollefeyt. During these years she developed into a champion for homeless animals. This led to her becoming a lifelong advocate of pet rescue and adoption. She and Doug went on to adopt 14 dogs in the ensuing years.

She was predeceased by her paternal grandparents, Dr. Clifton G. Parker and Mary Elizabeth Parker of Woodland, NC and by her maternal grandparents, Helen Cameron Church Goodwyn and William S. Goodwyn. She was also predeceased by her father, Dr. Charles Council Parker, her mother, Betty Goodwin Parker Scott and stepfather William H. Scott. She is survived by her husband, Douglas Pollefeyt of Louisville, Ky and by her brother, Charles C. Parker, Jr, his wife Christine Parker, and their son, Charles C. Parker, III of Wilmington, NC. She also leaves behind her faithful furry friend Juliet and numerous cousins and family members who will remember her infectious laugh and wonderful outlook on life. It is easy to think that she has found her way to the Rainbow Bridge and is reconnecting with all of her old friends.

A celebration of Cameron's life will be held for immediate family at a future date. “ I miss you my friend. Cameron was one of the best people that this world had and now it's less bright. She touched so many lives and her memory will live on in those who loved her so dearly.

“ Cameron was my infatuation in the 6th grade. She had such a happy smile and spirit in my memory of her. We were at her house for a party the night we learned of Apollo 1 tragedy. Her dad sewed my cuts on more than on occasion and his joyful spirit in those events shown to me were the same I saw in Cameron. May God give comfort to her family and may He receive her into His realm.
