“ Dear family,
My dear cousin Jay passed away. Our condolences!
Thank you very much for the message. I called Jay several times and spoke than a long time, sometimes an hour. I send him also emails. He said, he appreciated that. We hope you will found the comfort by our Lord Jesus Christ.
I had spoken him by his last birthday and he said: “I like to come to he Netherlands.” Just what you wrote in this letter. 'We keep in touch.', were his last words to me.

“ To Jay's family, I am so sad to hear of his passing. He bought the dairy farm in Simpsonville that my parents and I operated. He made remarkable changes to it and other properties. He was a man of his word. Mom and Dad have now passed, I had wondered what happened to Jay and his family after he sold the farm. My prayers are with the family during this time.

“ Joan, thinking of you and sending condolences. I remember a wonderful sailing trip and I enjoyed chatting with Jay during his workouts at Milestone. He was an amazing person, and we are blessed to have known him.
