

Lillian Phelps Gascoyne

December 9, 1948 - August 18, 2020

Lillian Phelps Gascoyne, 71, of Louisville, Kentucky, passed away peacefully on Tuesday, August 18, 2020.

She was preceded in death by her parents, Ruby Mae and Willard Dallas Phelps, along with her sister Lavern, and her husband Ron Gascoyne. She is survived by brothers Joe and Willard, stepson James Gascoyne, and her loving son, Lane Tynes and his wife Jenn.

Sweet and salty, cool and fiery, most of all inimitable, Lil was fiercely loyal and truly kind. Dedicated and ambitious to her endeavors, she was the chairperson for Strassenfest, then served as president of the Louisville Jazz Society. Along with her dear friend, Missy Bartlett, she was a partner and owner of Gabriel Publications for more than 20 years, producing crossword puzzles for Catholic publications across the world. She loved working with plants, and for a short time, worked for a landscape firm. Lil had a long career working in the architectural field and worked with Luckett & Farley, Bickel-Gibson and Preston and Associates for many years. Loved greatly by her friends and colleagues of 21 years at Solid Light, Inc., the “unflappable Lil” was an integral part of the company.

She was justifiably adored and will forever be missed.

A memorial will be held at a future date, and there will be a private interment. Expressions of sympathy can be sent to the Waterfront Botanical Gardens in her memory.

“ I had recently reconnected with Lillian around May of this year 2020, after 35 to 40 years of separation. I missed her then and I miss her even more now but we did reconnect FaceTime phone calls even with our brother Joe together again once again. And for those families this is a testament to how much healing we can all go through after a long period of hurt Lillian authored that in forever we will be grateful because forever we will be united, in Christ and in eternity . I'm proud to be Lillian's brother.
