St. Francis in the Fields Episcopal Church in Louisville played an enormous part in her life. She received great joy in her role as Head of Pastoral Care for several years. The church has long been a safe haven for both of them.

Margy and Ted's beautiful friendship and love story began when they met in dancing school in the 4th grade in Wilmington, Delaware and has grown stronger with each passing day for over 53 years of marriage. They have literally grown up together. Margy will be best remembered for her sweet, kind and generous spirit and her wonderful sense of humor, which so many have come to adore. She loved spending time on the golf course with buddies and Ted, keeping it light for the competitive ones around her.

Her grandchildren Simon and Miles Strange Potter call her Gigi, she adored them with all

her heart as well as her son in law Bryan Potter. She loved taking family vacations with them locally and exciting far away places. Gigi, was a wonder and joy as a sister, daughter, wife, mother and grandmother who dedicated herself to connection to all those around her.

The family wishes to give special thanks to the extraordinary outpouring of their community of friends and family. We have enjoyed having the buzzing angels- dropping off meals, flowers, cards, errand runs, doing whatever was needed no questions asked. It truly has made this high speed chase somewhat bearable and we are humbled by the love given at this difficult time.
