“ Dear Sheri, Sena, Tommie and families,

You don't know me but I worked with Terry at the bank for many great years as did my dad years before me. Terry took me under his wing we played a LOT of softball and golf together, along with Mike Mattingly who I'm sure you know. Terry made me feel so damn special every chance he got, I owe him so much. CFB was a VERY special place to me and Terry had everything to do with that. We will all miss him dearly. He mighta been Coach Terry to your kids but Toni and Gloria put it best, we all knew him as THE Coach second to none.

Sincerely,

Boyce and Donna Clements

“ Thank you for your kind words. It means a lot! I have fond memories of going to the CFB family Christmas parties as a child (the lobby in the Fifth St building seemed massive to me at the time) and tagging along with my Dad to some of the softball games. I appreciate you taking the time to share some of your memories!

Regards,

Sheri
